May 26th 2026

5:00 PM

Committee Members in Attendance:

Alderman Yocum, Alderwoman Clark, Alderman Burgett

Additional Council Members in Attendance:

Mayor Cozart, Alderman Scharping, Alderman Falk, Ms. Woods

The Committee reviewed public feedback on recently installed speed bumps, noting generally positive responses.

Potential additional locations for speed bumps were discussed, including areas near Monroe Street, 6th Street, and other residential streets.

Members discussed optimal spacing of speed bumps and considerations for avoiding placement near stop signs. The Committee agreed to continue monitoring performance before making further adjustments.

Discussion was held regarding a proposed sidewalk project associated with the bus barn redevelopment along the state highway. The Committee noted that additional information, including project plans and cost details, is required before further consideration.
