

Save Up to 20% on Electricity with Community Solar!

Electricity program available to income-qualified residents.

About Community Solar:

- Save up to 20% on electricity costs through Community Solar discounts.
- When you sign up for Community Solar, our partner, Ampion, assigns you a share of a local solar farm based on your electricity usage.
- The clean energy produced by your share of the solar farm shows up on your electric bills as discounted credits. Once your solar site goes live, you save up to 20% on your electricity costs!

Earn a \$50 Sign-Up Bonus!

Every new, eligible Community Solar subscriber will get a \$50 Visa gift card.*

*Available to new, approved subscribers who join through ampion.net/cityofcuba. Electronic gift card emailed 6-8 weeks after enrollment.

How Do I Get Started?

Sign up to become an Ampion member in just 10 minutes at ampion.net/cityofcuba. You'll need:

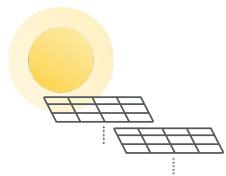

- 1 A copy of your electric bill.
- 2 Income qualification evidence such as:
 - Low Income Home Energy Assistance Program (LIHEAP)
 - Affordable Connectivity Program (ACP)
 - Federal Public Housing Assistance (FPHA)
 - Lifeline Telephone Service Program
 - Medicaid
 - National School Lunch Program (NSLP)
 - Supplemental Nutrition Assistance Program (SNAP)
 - Supplemental Security Income (SSI)
 - Temporary Assistance for Needy Families (TANF)
 - Veterans Pension and Survivors Benefit

How Community Solar Works:

1. Sign up in as little as 10 minutes at ampion.net/cityofcuba.

If you qualify for financial assistance, include your qualifying evidence or LIHEAP bill. You'll need a copy of your electric bill.

2. The solar farm produces clean energy.

It's delivered to the grid, increasing the amount of renewable energy available to your community.

3. You save up to 20% on electricity costs.

Renewable energy credits are applied to your utility bill each month with your discount included.
